

ANCIENT WORLD CONFERENCE 2009

**The Ancient World Conference
12th and 13th September 2009**

Conference Notes

We are now looking forward to our conference weekend and have great pleasure enclosing all the relevant information you may need for the event.

You will find enclosed a map showing the location of the Cruciform Theatre in relation to the university and the nearest train stations. There is also a map of Ramsay Hall where we have rooms held for those that have booked accommodation.

Accommodation:

Ramsay Hall is open and attended 24 hours a day so it will be possible to drop off any luggage there prior to the conference starting. If your room is ready when you do that, then you will be able to leave luggage there. If not, then you will be able to leave it with the hall porter who will keep it safe for you during the day. Alternately, you can bring it to the conference and leave it at the back of the theatre. This is not guaranteed to be a secure place but, of course, there should only be conference attendees there on the Saturday. We cannot take any responsibility for unattended luggage.

You will need to vacate your room on Sunday morning after breakfast and hand your key back to the Hall reception.

Registration

All delegates must go to North Cloister on Saturday morning to register and collect their badges before entering the lectures at the Cruciform Building. Welcome teas and coffees will be available from 09.00 during registration. The conference opening will be at 09.50. No one will be admitted to lectures or will receive refreshments without a badge.

Saturday Evening Bar & Dinner

The bar will be at North Cloisters and each delegate will receive one glass of wine or a soft drink, compliments of AWT, and thereafter drinks can be purchased direct. The bar will open after the last lecture on Saturday afternoon and remain open until 2300. Dinner will be in the Lower Refectory and will be of Middle Eastern flavour (appropriately enough) and there will be a vegetarian option. Dinner will be available from 1900 until 2030.

Food and Beverage will only be served for delegates wearing badges so please take care of the badge as this is your identification for the weekend. Your badge is your ticket for the event! If you see someone with a blue badge, that means they are staff and are there to help you. We look forward very much to seeing you there!
